

SILVER BULLET AM®

ACRYLIC AEROSOL # 14-451AM

DESCRIPTION

This is an acrylic resin material mixed with Agion silver/copper antimicrobial. This product is designed to control bacterial growth as well as the growth of mold, mildew and algae. It sprays on easily, dries quickly, contains no HAPS solvents, is low VOC and produces a Log 6 control of bacterial attack.

USES

Use on hand rails, door knobs, door plates – anywhere hands may touch that could spread bacteria from one place to another. This product is for INTERIOR USE ONLY.
